NB:

- Some additional private taster sessions in aid of club funds are provisionally booked but it is expected that club shooting will be able to take place alongside any of these.

- All of the above are based on the 'roadmap' continuing to go to plan and further details will be made available closer to the event dates.
- Depending on COVID-safe restrictions at the time, club shooting may not be possible during the beginner's course sessions. Confirmation to follow after 21st June.
